Research Ethics in the Health Sciences Info Session Fall 2024

The Human Research Ethics Unit is pleased to announce the following informational session to address all types of research involving human participants in the health sciences:

Fall 2024:

	Date	Time
Health Sciences session	Wednesday, November 13	10:00am – 11:30am

Workshop will be held online on MS Teams.

Faculty members, graduate students, and staff are invited to attend.

The session will include a presentation with opportunities for questions and discussion. Topics will include:

- History and principles behind research ethics review
- Procedures under *Tri-council policy statement: Ethical conduct for research involving humans*
- UT's risk matrix for assessing participant vulnerability and research risk
- Free & informed consent, privacy & confidentiality, conflict of interest, inclusion/exclusion criteria
- Questions and discussion relating to specific projects and methods

Please register [here](#):
